HORSE RIDING LESSONS

GRADES 6 -12

Our horse riding clinics will gain confidence and master a fun, rewarding skill. Horse riding isn't just a sport, but an experience that promotes all-around growth, physically, emotionally and socially. This program is created to inject joy and learning into every ride, making it an unforgettable adventure. Your child will embark on a personal journey. As they learn to bond with a horse, cultivate patience, empathy, and compassion. They learn responsibility that comes with handling a horse. Under the watchful eyes of our seasoned instructors, your child will have a safe space to explore, and grow. Helmets will be included for your child to use during lessons. All students must wear long pants, athletic weather appropriate clothing is best, and shoes that cover the entire foot, smooth soled is best.

STRONG & STEADY

NEW

ADULTS

“Strong & Steady” is a 45-minute exercise class broken down into three parts; balance exercises, strength training and mindful movement/chair yoga. Physical activity, including strength and balance, is vital for healthy aging. Falls are not an inevitable part of getting older and can be prevented. Steady and Strong classes have been developed by a Clinical Exercise Physiologist who has been working with seniors for over a decade, helping them to maintain heart health, prevent falls, increase strength, and improve mindfulness. These classes are open to everyone aged 55 and over and/or those who prefer to use a chair for supported exercise. The goal is to help you stay stronger for longer and be able to keep doing the things you love. You will do a mix of seated and standing exercises, with chair support for those who need it.
