MEMBERSHIP

Our membership remains at around 90% of goal. This is not up to our normal standards. If you have not yet renewed your membership do it soon. The national is offering a 3 year deal that would allow you to buy your upcoming dues for todays rates instead of paying the new higher rates. This would save you \$30. If you have been thinking about a Lifetime Membership now in a very good time to make the move. We are assured that those rates will be going up. If you have any questions about these options, contact me at 507-469-0574.

COLOR GUARD

In the last news letter I touched on what the Color Guard does, and some of the events that we participate in. In March, we were invited to the St. Patrick's Day parade. We will honor veterans at the Vietnam War Veterans Day program, which is on the March 29th. Then, on May 27th, we will proudly show our respect to all comrades that we have lost, in all military conflicts by participating in the annual Memorial Day program at Minnesota Square Park. It is my goal in the future, to have enough willing participants from our post and/or our Legion family to carry the banners of all of our military branches in the very popular 4th of July parade. **How impressive would that be to have a twelve member Post 37 color guard lead St. Peter's Independence Day parade?**

SONS OF AMERICAN LEGION (SAL)

The Son's of the American Legion (SAL) has been working on their new Constitution and By-Laws. The by-laws will contain the fundamental principles and rules of guidance by which the SAL is to function. The SAL meets every first Tuesday of the month at 7:00 pm at the Legion. The group helps with Bingo every odd month, second Wednesday. Wishing everyone a Happy Easter and good health as we move into Spring of 2024.

VETERAN VISITS

2024 is really going well! We are averaging 28 veterans, spouses of veterans and family of veterans. We have changed our visit day to Friday's following the Second Monday of every month. This change was made to allow for more volunteers to help visit. I'm still looking for more volunteers. I need more volunteers so when I have to work I do not have to cancel the day of the visit.

My current volunteers Melissa and Dave J can only go when they are available from their jobs. Darrin got the full first visits today and now knows the system but he also has a busy life. I am looking for Auxiliary and SAL members to join in on the visits. Jane and Tina did join me in December when they handed out goodie bags for Christmas! Thank you ladies and to the Auxiliary I salute you! This Christmas hopefully we will have a sharing tree to give out gifts!

Our visits are incredible and worth the time it takes - 4.5 hours each month. These hours count towards our end of year report to the Department that the Adjutant and Commander submit every year. Please think about joining this Pillar of Our Legion. Help me to put a smile on these deserving veterans! God Bless all of you! If anyone has any questions or would like to get involved please contact me at arp.dave@yahoo.com. thank you and God Bless our Veterans.
