Roni
Handler,
Rabbi

The beginning of a new calendar year often feels hopeful and filled with new possibilities. We feel this as we approach Rosh Hashanah each year and we feel this as we approach January 1st. Both dates create opportunities for assessing and resetting our priorities and goals. We can set intentions to let go of old habits and baggage, we can appreciate and hold onto the pieces of the past that are still nurturing and serving us, and we can set a new course for the new year. But how do we do this and follow through? And how do we do this in the midst of so much pain and turmoil in our world?

As I think about these questions, I recognize the importance of being able to give voice to and acknowledge the fullness of our thoughts, feelings, and experiences. We are carrying much fear and anxiety as the war in Israel rages on. The death toll from this war is rising, and we still have yet to see the remaining hostages returned to their loved one. We carry the pain and heartbreak of this war with us, even as we attempt to continue to live our lives.

Rabbi Brad Hirschfield teaches that on New Year's we, "celebrate the possibility of building a better tomorrow. It symbolizes the human desire to demarcate the past from the future, the old from the new. But what if we really understood that our words — our resolutions and commitments — could create a new beginning? What if we really believed that our vows had the power to help us get past the past [and create a better future]?"

As we move into 2024, I want to encourage us to do so not by pushing away our pain, but by allowing ourselves to tenderly hold this brokenness. May we give voice to our fears so that they do not overtake us, and may we also have the courage to live fully in the present while also planning boldly for the future. May we harness our pain so that it might strengthen us in order to do the work we must do this year to combat hate and antisemitism in our communities. Only then can we, God willing, build a more tolerant and peaceful world in 2024.

We are celebrating!

President's Message

Alana F.
Dunoff,
BTBJ

Shalom to My BTBJ Community,

Happy New Year! How did it become January again?

The new year is of course often a time we reflect on the past and look ahead to the future. Both are worthwhile activities.

In the rear-view mirror, I see the strength of a community showing up for Kehillah Shabbats, donating 300 cans of food for the Religious School Hannukiyah, learning in IYUN and tasting Tahini and Middle Eastern spices, and lighting candles together at Miles Park. I also see a world I am still trying to understand, a devastating attack on Oct 7 followed by a staggering and dangerous rise in antisemitism. Antisemitism is rearing its head in our own backyard, as we navigate through security threats and try to hold school board members accountable for their actions and words.

In my crystal ball there are things that are clear and some that are still muddy. On the immediate horizon we are getting ready for our first, back to camp, Shabbaton at Camp Harlam on Jan 26-28. All members of our community are welcome, registration closes January 15. It will be a wonderful time to disconnect from the outside world and reconnect with Shabbat and each other.

And in March we are hosting the celebration of the year!! Over the weekend of March 8-9, we will be coming together to not only celebrate our 50th Anniversary as Beth Tikvah B'nai Jeshurun, but we also honor the dedication and service of our Executive Director Valarie Hurwitz. To give you a sneak peek, the weekend will begin with a special Friday night Kehillah Shabbat followed by an Oneg hosted by Val, Saturday Shabbat Services will be an opportunity to acknowledge our 50 years and all those who have helped to build our foundation. Then Saturday night get ready to party in grand style at the Hilton on City Line Avenue to celebrate and honor Val and our amazing kehillah. Be on the lookout for lots of information about how you can participate in all kinds of meaningful ways over this very special weekend.

As for our current challenges of antisemitism, the future feels at the moment uncertain. We continue to pray for peace and the continued return of hostages and for innocent people to be kept out of harm's way. We will continue to be vigilant about our safety and security and we will continue to be an open and active community.

Rabbi Roni and I have become part of a continued dialogue with the Superintendent, School Board members and staff at the Colonial School District (CSD) along with members of other faith-based communities, including Congregation Or Ami. The objective of these meetings is to have space for courageous conversations, to listen, unlearn, and relearn from each other AND ultimately to help guide the district in strengthening and adapting curriculum to deliver the right messages and resources to the students and community. This is a process that I suspect will take time and patience, it is, I believe, a critical path to effect foundational change.

I will also share that Rabbi Roni provided resources and a video to help teachers at CSD create instructional materials to teach and honor International Holocaust Remembrance Day in January. A small and important step.

Other members of our BTBJ community are involved in conversations at other local school districts as well. Together we are using our collective voice. It is hard work, but we can and will persevere. Our WE as a community continues to matter.

Wishing us all a year full of goodness, kindness, and community.

Educational
Director**

Happy 2024! As January begins so does our second semester in the Religious School. Our teachers and students had a jam packed Fall Semester and Spring Semester will be even busier!

We ended our Fall Semester with joyful Hanukkah celebrations for both the Sunday Gan (K)- Dalet (6th) grades and Kitah Hey (7th grade)/ Keshar Teens. Students enjoyed Hanukkah bingo, eating latkes, and lighting the Hanukkiyah. Our 7th graders and Keshar Teens gave back to the larger Philadelphia Community by making winter care kits for Hub of Hope. We also held a can drive for Hanukkah and with the over 300 cans we collected we made a Hanukkiyah out of cans! The cans were then donated to the Mitzvah Food Program (see the picture included of our can hanukkiyah)!

Students will participate in Mitzvah Day on January 14th. Each class will learn study a mitzvah and work on a project which gives back to either the BTBJ or larger community.

Also in January, our class services begin! We start our class service series with a Gan and Nitzanim Havdallah service and dinner on Saturday, January 6th. Followed by our Aleph class consecration and

dinner on Friday, January 19th. All of our class services are open to the wider community and we would love for you to come and see all of the hard work our students have put into preparing for their services. You register for the services and dinner on the BTBJ website through the calendar.

And make sure you RSVP now for our amazing Shabbaton which will be held January 26th - 28th! The weekend is always fun, filled with relaxation, Shabbat services, bonding with other families, and a getaway for just a few days. You don't want to miss the amazing programming we are putting together which will root us in Jewish community while getting to know one another more and enjoying our time together. This year Shabbaton is being held at Camp Harlam and will not disappoint, you don't want to miss it!

We have already begun to prepare for the 2024 - 2025 school year. The calendar will be distributed soon along with instructions on how to register your students. We are always looking to grow our school so if you know of any families looking for a wonderful and nurturing place for their child's Jewish education please put them in touch with me or have them come to our Spring prospective student open house on April 14th!

As you can see there are SO many fun and exciting things happening in the Religious School. As the Spring continues I'll be sharing really interesting, inspiring and unique programs and events we are adding to next year's Religious School experience.

*Our Religious School students made a Hanukkiyah out of the cans
that were then donated to the Mitzvah Food Program!*

Sisterhood
President

Hi Sisterhood Members,

Happy New Year! I hope this newsletter finds you well and settling into 2024! In December, many of our Sisterhood members gathered for a fun Chanukah celebration at Viggiano's. After some delicious food and wine, we held a White Elephant gift swap which was a lot of fun and brought a ton of laughs. After many gift "steals," everyone had a turn to pick a present and ended up with an awesome little gift to take home.

To kick off the new year, we invite you to join Sisterhood and Men's Club at BTBJ on Saturday morning, January 13th for a special joint affiliate Shabbat, followed by a kiddush luncheon. Many of our members will be reading Torah and participating in the service. If you would like an Aliyah or would like to lead a prayer in the service, please let me know. We look forward to having a full house at BTBJ that morning. Please RSVP when you receive the invitation so we know you are coming and will have enough food.

Finally, mark January 16th in your calendars for our Sisterhood craft night, where we will make our own resin dipped challah boards. Keep an eye out for more details and information.

The Sisterhood board thanks everyone for the amazing participation that we have had so far, and we are excited to see what 2024 brings!

Sisterhood Chanukah
Celebration at Viggiano's

Warren
Chiara,
Men's Club

BT-BJ Men's Club finished off the year with two fantastic events.

In November, we joined with the Sisterhood to pull off a successful bowling event at South Bowl on Oregon Avenue. The venue treated 40 people to great food and a great evening where we mingled with friends old and new. The lanes were full of BT-BJ members trying to throw strikes and spares.

In December, at our annual Men's Club appreciation dinner, we were joined by our special guest speaker and performer Eric Bazilian who is the co-founder of the rock band The Hooters. More than 40 members came out to the event, which mixed spirituality with rock 'n roll. Eric spoke about his Jewish background and how he had not previously performed at a synagogue, until stopping himself to say—since his bar mitzvah. Eric's acoustic renditions of his songs were greeted with standing ovations from our members.

Also at the event, we awarded our L'dor v'dor Hershel Gordon Lifetime Achievement award to Dr. Ben Krevsky for his contributions to BT-BJ. Ben has immersed himself in security for the shul and has been instrumental in keeping our congregants safe by assembling mounted trauma kits in classrooms and the sanctuary, and teaching staff and congregants about "stop the bleed" in case of trauma. Ben studied medicine at the University of Cincinnati and completed his residency at Montefiore Medical Center in the Bronx. He later joined the faculty at Temple University and was an attending physician and professor of medicine at Temple. We were honored to recognize Ben's accomplishments during the Men's Club appreciation dinner, at what was a truly memorable evening.

With those events in the rearview, we look forward to our upcoming events that include our joint Men's Club Sisterhood Shabbat on January 13, a distillery tour on February 4, World Wide Wrap on February 11, and our joint For the Love of Chocolate event with Sisterhood and Congregational Learning on February 24.

Sisterhood President Rachel Fox and I are really looking forward to joint our Shabbat service and are thrilled that our members have stepped up to take on the Torah portions. So save the date and come out and support your fellow congregates reading Torah during a meaningful morning service.

Our distillery tour is set at Philadelphia Distilling. Look out for registration details and keep in mind that space

is limited so jump on it when you see it! February is also the time for World Wide Wrap, where we join with men's clubs around the world to teach congregants how to wrap tefillin. For the past few years, we have invited the Gimmel class to join us for minyan followed by the wrap, and this year we are continuing that tradition with the help of Rabbi Kami. This event is open to all congregants so please come out and join us.

Our last event in a busy month is For the Love of Chocolate Havdalah service when will re-invite our chef in residence Eliza Green who will teach us all about chocolate with a special tasting. This is a joint event with Congregational Learning and Sisterhood.

In closing, I want to wish Val an incredibly happy retirement. She has led the way for BT-BJ through good times and bad for the past 48 years. Val is a rock and as Men's Club president, I could not have done this job without her. She has been a great friend, visionary leader, and pillar of our community. Val has led me through the rough times of my presidency, and I always appreciated her calmness and kind words.

BTBJ Men's Club Treated to a Performance by Hooters Co-Founder Eric Bazilian

By Warren Chiara, BTBJ Men's Club President

At its annual appreciation dinner held in early December, the Beth Tikvah B'nai Jeshurun Men's Club enjoyed a performance by Eric Bazilian, lead singer and songwriter of the Philadelphia-based band The Hooters. The event also marked the awarding of the club's Hershel Gordon L'Dor V'Dor Lifetime Achievement Award to Dr. Ben Krevsky, a long-time active synagogue member.

Bazilian served as the event's guest speaker and talked about his Jewish roots, musical career, collaboration with other artists, and passion for music. The Grammy-nominated songwriter and producer entertained about 50 members of the Men's Club with his acoustic renditions of *And We Danced*, *All You Zombies*, and *One of Us*, among others to standing ovations. It was the first time Bazilian performed in a synagogue since his bar mitzvah. Throughout the evening, he graciously answered questions from the audience including about playing at area high schools in the 1980s, how he experienced performing at Live Aid, and how he came to write the 90's hit *One of Us* for singer Joan Osborne.

Lifetime Achievement Award winner Krevsky's primary focus at the shul is security, including assembling mounted trauma kits in classrooms and the *sanctuary*, and teaching staff and congregants about "stop the bleed" in case of trauma. He has also received specialized counter terrorism training at Caliber 3 in Israel and is a certified concealed carry and home defense instructor.

Krevsky earned a bachelor's degree in science and a master's degree in public health from Yale University and graduated from the University of Cincinnati Medical School before fulfilling his residency at Montefiore Medical Center in the Bronx, New York. Upon completing a gastroenterology fellowship at Temple University, Krevsky joined the faculty and became an attending physician and professor of medicine. He is consistently listed as a Best Doctor in the US and a Top Doctor by *Philadelphia* magazine.

This year's BTBJ Men's Club appreciation dinner was a special and unforgettable event that will be hard to top next year.

Every modern Jewish community, including BTBJ, has a closet or place where they store old religious books and materials until they can bury them. Join us for our Genizah mitzvah days when, after learning about what is required to be buried, we will sort through our boxes and set aside items that do not need to be buried, but are still usable and can be donated and those items which we will bury at King David Memorial Park on May 5, 2024.

Join us for this unique opportunity as we bury our sacred objects at King David Memorial Park. The entire community is invited to participate. There will be an early dismissal for any religious school families who plan to attend.

IYUN

Next Class Tuesday, January 9, 2024

**Join the winter cohort of this
not-to-be-missed program!**

IYUN is a cohort-based Jewish learning experience for adults which was introduced to BTBJ by Rabbi Roni last year. The program is aimed at building Jewish community and a love of Torah study through the exploration of existential questions through the lens of Torah.

The practice of studying Torah is both informative and social. Participants last year built a unique, deeply Jewish kind of relationship with one another unlike anything else while they enjoyed a special space of considering our Jewish values in our challenging world.

We will start our year exploring “The Gift of Responsibility” as we learn with one another, to strengthen our relationships, and gain new perspectives.

Sessions will meet at 6:30 PM on Tuesdays at BTBJ or at a participant's home. Light dinner is served.

Following the text study, we will enjoy listening to different settings of that prayer, starting with the melody most often used at BTBJ as a jumping off point, and then experience different melodies from Jewish communities around the world in contemporary settings, and do our best to embody the many modes in which Jews pray the same text.
