## FEATURED SENIOR OF THE QUARTER

### GARY L. LINDNER

Gary Lindner is a fourth generation descendent of 1853 Michael Lindner family that settled in Comfort. He was born to Robert and Marguerite Lindner on August 2, 1947 and grew up on the family ranch 5 miles southwest of Comfort. He learned how take care of livestock, hard work and honesty early in life. He hauled hay, cut cedar posts, built fences, plowed, fields etc. In summer he worked for the Comfort Wool & Mohair Company, Steves Lumber Yard. In winter he hunted and trapped. Gary attended Comfort Schools and graduated in 1965.

Gary received a Congressional appointment to the U.S. Air Force Academy (USAFA) in 1965 from Congressman O.C. Fisher. He excelled in academics, sports, and military training. He was frequently on the Deans, Commandants, and Superintendents Lists. He graduated in 1969 with a Bachelor of Science degree, commissioned as a 2<sup>nd</sup> Lieutenant and was selected to attend U.S. Air Force (USAF) Undergraduate Pilot Training at Randolph AFB near San Antonio.

It was during Pilot Training that he met the love of his life, Barbara Blaha. After Gary graduated from Pilot Training. they were married December 28, 1970, in Randolph AFB Chapel, and began an adventure that took them all over the U.S. and Europe for 29 years and 22 different addresses. They were blessed with three children Brett, Laura, and Todd (deceased).

Gary served in a series of operational flying assignments that included 872 hours of intense air combat 1971-1973 in Vietnam/Southeast Asia. He was promoted to Colonel and Command Pilot ahead of his peers, and selected for command that included a flying training squadron at Del Rio, TX; the largest Support Group in the U.S at Lackland AFB, and historic Tempelhof Air Base in Berlin Germany. He also had staff assignments at Omaha NE, Norfolk VA, Washington DC, Montgomery AL, and San Antonio TX. During his career he earned the Legion of Merit (3) Distinguished Flying Cross (1) Meritorious Service Medal (4) Air Medal (9) and numerous other awards and decorations. He earned a master's degree from Auburn University in 1979. Gary retired from USAF in 1998 and moved back to Comfort.

From 1998- 2004 Gary was a Senior Vice President for San Antonio Southwest Business Corporation and in his first year he earned the prestigious million dollar round table status for over \$1 million in insurance sales. He transformed a major division to profitability for 5 consecutive years. From 2004-2015 Gary served in senior leadership positions in the non-profit organizations. From 2004-2010, he was Chief Operating Officer of ACCION Texas in San Antonio. With positive leadership he quadrupled the outstanding portfolio

and became the largest microlender in the U.S. In 2010 he was recruited to be President & CEO of PeopleFund in Austin and grew the organization from five county service area to statewide lender that achieved national prominence. He opened 8 new offices and quadrupled loan volume. During his tenure, both he and PeopleFund earned numerous exceptional performance awards.

Gary is fourth generation owner of the Lindner Four L Ranch which has been in continuous agricultural production since 1875. He has been involved in numerous community activities - Chairman Community Foundation of the Texas Hill Country, Chairman Comfort Boys and Girls Club, Commander VFW Post 8569, Co-Chair of highly successful Comfort 150-year Jubilee Celebration, Sacred Heart Catholic Church Pastoral Council President, Secretary/VP Comfort Area Foundation, Treasurer Comfort Cemetery Association, President Comfort Golden Age Center, and Board of numerous national, state, and regional non-profit organizations.

## COMFORT GOLDEN AGE CENTER

May Birthday and Anniversary celebration luncheon was sponsored by Kelly Dizdar. She made a delicious lunch of Chicken tetrazzini, tossed salad, garlic bread and iced tea. She made Almond cake for dessert. Cindy Thomas and several volunteers helped to set up for this event. Ladies from the **Gaddis United Methodist Church Outreach Program** served ice cream.

Our monthly drawing was won by Barbara Zoeller. Kelly brought 2 beautiful plants which were won by Kathy L'Huillier and LeEllen Bohnert Herbst. Thank you to everyone who helped with this celebration.

### The Beginning of Father's Day

Like Mother's Day, Father's Day was preceded by an event in West Virginia: a special church service for 361 men, 250 of whom were fathers that died in the worst mining accident in U.S. history. It didn't lead to a recurring holiday, but it signaled a desire for such a celebration. Two years later, Sonora Smart Dodd, a woman from Spokane, Washington who was raised alongside her five siblings by her Civil War veteran single father, heard a Mother's Day Sermon and decided that her father was just as worthy of a day of celebration.

Dodd initially found success in promoting the holiday through local church organizations, and on June 19, 1910 — a Sunday — the first Father's Day was held in Spokane. Woodrow Wilson supported the holiday when he learned of it and even took part in the festivities remotely in 1916, but unlike with Mother's Day, Congress was not willing to endorse it. Two presidencies later, Calvin Coolidge fared no better in his efforts to make it into a national holiday.

### The Struggle to Make Father's Day a Holiday

Opposition to Father's Day took many forms. Critics thought that it would lead to the commercialization of fatherhood or that it would take away from Mother's Day. Some men even thought it was too effeminate. Others simply didn't see the point.

"A national fishing day would be better," quipped one member of Congress.

During the Great Depression, there was also a movement against Father's Day and Mother's Day alike, with supporters instead calling for a joint Parents' Day. U.S. Senator Margaret Chase Smith of Maine was one such person. "Either we honor both our parents, mother and father," argued Smith, "or let us desist from honoring either one. But to single out just one of our two parents and omit the other is the most grievous insult imaginable."

### Father's Day Becomes a Federal Holiday

So what changed and led to support for Father's Day? World War II. While money was tight during the Great Depression, once the United States entered the war, Americans wanted to honor their fathers fighting overseas.

Support continued to grow until Nixon made Father's Day a federal holiday in 1972. In the official proclamation, he wrote, "Let each American make this Father's Day an occasion for renewal of the love and gratitude we bear to our fathers, increasing and enduring through all the years." Sonora Smart Dodd, who passed away in 1978 at age 96, lived to see her dream become a national reality.

## EICHHOLZ-STRUBE VETERANS OF FOREIGN WARS-POST 8569 By Leland Lingle

This post was established (mustered in) on November 22, 1946. The post was named for the first two deaths from Comfort in WW II. Otto Eichholz is buried in Comfort Cemetery and Louis Strube is buried in Belgium.

The original charter was 34 members of WWII. The building was purchased by the VFW and American Legion (Steves-Blaschke). In the mid 1970's the Legion needed money and sold their half to the VFW.

The Golden Age Center has rented part of our building since 1987. Other rentals are for aerobics, yoga, movement and music exercise and AA Meetings. Other rentals are for birthday, showers and other celebrations.

The building has been certified by F.E.M.A. as a temporary stop in the event of an emergency.
