A message from Kelly

Dearest friends,

Have you ever felt like time is just flying sometimes? I sure do! It seems like just yesterday we were welcoming the new year, yet, here we are, closing it out! I hope you are able to take time to reflect on what positives came of this year and what you hope to accomplish in the 2024.

On behalf of the Health and Human Services Department, we want to thank each and every one of you for spending time with us this year and please know that we cannot wait to show you all what 2024 has in store!

We are beyond elated for Decembers events and please remember, should you have questions, need assistance, or just want to chat, do not hesitate to come see us here at your beautiful Lancaster Community Center!

Happy holidays and wishing you a vibrant and healthy New Year!

Best, Kelly

It is that time of the year again when the lobby of the Lancaster Police department transforms and becomes home to Lancaster's Angel Tree. The generosity and support from residents and local businesses continue to make this event a town-wide success. Last year we expanded our goals and partnered with Lancaster's Community Center to enhance services to our seniors.

This year the Angel tree is dedicated to Cheryl A. Sendrowski; Cheryl was an active member in our community and has always gone beyond when helping those in need. It is our hope that in celebrating the memory of those who have made a difference, we will continue to keep the Spirit and Dreams made possible through the Angel tree, alive! Please consider getting involved and helping neighbors in our community. Tags are available in the lobby of the police station or any time by email

Happy Holidays!

The holidays are the time of year when we talk a lot about giving and receiving. But the holidays are not the only time it is important to think about this. Nashoba Neighbors is helping with many of our seniors' needs all year long. Volunteers are busy helping members clean up garden beds, going to members' homes to help around the house and visit, providing transportation for doctor and social events, and so much more. These volunteers are ready to go throughout the year!

On the receiving end, our members are able to get things done they couldn't do alone, get a ride to that special event or a medical appointment, and meet new friends. Nashoba Neighbors is here to connect people who want to give back by volunteering to those in need. We are a unique nonprofit that provides seniors a low-cost way to stay in their own homes as they age.

Give us a call to learn more about membership and volunteer opportunities.

We are neighbors helping neighbors!

Happy Holidays from all of us at Nashoba Neighbors!
